Headteacher: Mrs Helen Hepworth

12-6-18

Dear Parents,

As part of their reading curriculum our children have access to a weekly newspaper written specifically for children called First News. We subscribe to this newspaper and part of the subscription is that we are sent weekly reading comprehension exercises linked to one of the articles in the paper. Last week's exercise was about Soccer Aid, which is a Unicef event to raise awareness of the rights children have to play. We have learned all about this as part of our Rights Respecting School work, so children were inspired to participate.

They would like to raise enough money so that with matched funding from the government they can pay for a water pump to supply clean water to a school and village. This would cost £322 so school needs to raise £166. £28 could provide an emergency supplies kit, including life-saving food to protect children from malnutrition.

Our plan is to pay £2 to come to school, this Friday, dressed in our favourite sports clothes, or favourite any clothes\hat. We will then do a fun obstacle course in the morning.

We are very much hoping that you will support us with this project which supports the rights every child should have to clean water and to play.

If you would like to find out more please see the website
<https://www.socceraid.org.uk/schools/>

Yours sincerely,

Head teacher
