Headteacher: Mrs Helen Hepworth

4th September 2018

Welcome back!

What a lovely day we've had catching up with friends and sharing news. We hope that everyone had a lovely holiday.

Staffing

We would like to introduce you to Mrs Glover who will be teaching Year 2, 3 and 4 English and Maths alongside Mrs Anderson. Mrs Glover will be teaching on Monday morning, all day Tuesday, Wednesday, Thursday and Friday morning. She will teach science and music across school. Mrs Glover will be teaching for the whole half term whilst we advertise to replace Miss Barrett, who we wish well as she starts work in her new school.

Mrs Anderson will continue to teach Year 2, 3 and 4 English and Maths, teaching Art and History and child-initiated independent learning (planning) across school. She will also teach Year Reception and 1 PE.

Mrs Gill will teach Year 5 and 6 English and Maths, teaching Geography, RE and Computing across school.

She will teach Forest School in Year Reception and 1.

I will teach Year Reception and 1 English and Maths, teaching Design and Technology and child-initiated independent learning (planning) across school. I will also teach French across school and PE in Years 2, 3, 4, 5 and 6. I will continue to lead school assemblies. This term we will have plan the week and singing on Monday, learning assembly on Tuesday, sharing on Wednesday, student voice, with good news and issues and meditation assemblies on Thursdays.

Mrs Wylie will continue to provide literacy and maths intervention. She is a key worker in the early years and provides nurture support. Mrs Wylie is also a learning skills coordinator and teaches child-initiated independent learning in school.

Miss Holmes will provide breakfast club each morning and after school clubs as explained below. She will support learning in Year Reception and 1 and provide English and Maths support. Miss Holmes also delivers the Smart Moves programme in school and supports child-initiated independent learning.

Mrs Pincombe (Anne-Marie) delivers maths intervention in school, supports planning for child-initiated independent learning and manages our school website.

Mrs Dowes continues to be our money collector, administrator, bursar and all round good egg!

Kath and Gill provide lunch time supervision and Anne is our cook.

After School Club

Please find attached information about the exciting after school clubs we will provide this term. Miss Holmes will lead clubs on Monday, Wednesday, Thursday and Friday and I will lead club on Tuesdays. Everyone is welcome. The clubs are for fun and enrichment. Clubs run from 3.30 to 4.30pm and must be booked and paid for in advance please. Payment for the 3.30 to 4.30pm club is £1.50 per session, so for this half term the payments will be either £9 or £10.50 for the whole half term. Children needing additional wrap around until 5pm can stay at a further cost of £2. This can be provided as and when needed and paid for in advance or on the night and must be booked in advance for staffing reasons (preferably 24 hours in advance).

Breakfast club continues to be £2. No need to book, just turn up but please pay on the day or in advance for regular bookings.

We are so keen to provide this service for you. Please make use of it so we can sustain it into the future. Should you need support with costs due to personal circumstances please let me know and we will strive to support your child to attend.

Please book after school clubs by completing and returning the slip below and returning to school as soon as possible.

Residential USB

Anyone who ordered a memory stick at the end of last term, with photos from the residential, and didn't receive theirs— they are available from Mrs Dowes.

Yours sincerely

Helen Hepworth
Headteacher

.....
